Additional Important Information: Screener

The Equity Summary Score is provided for informational purposes only, does not constitute advice or guidance, and is not an endorsement or recommendation for any particular security or trading strategy. The Equity Summary Score is provided by Thomson Reuters StarMine, an independent company not affiliated with Fidelity Investments. [Learn more](#) about the Equity Summary Score.

Screener results may include American Depositary Receipts, Limited Partnerships and Master Limited Partnerships, Unit Trust Funds, Real Estate Investment Trusts, and other types of exchange traded securities.

As with all your investments through Fidelity, you must make your own determination whether an investment is appropriate for you. Fidelity is not recommending or endorsing this security by making it available to customers. You should conduct research and perform a thorough investigation as to the characteristics of any securities you intend to purchase. Before investing, you should read the prospectus, offering circular, indenture, or similar document carefully for a full description of the product, including its features and risks, to determine whether it is an appropriate investment for your investment objectives, risk tolerance, financial situation and other individual factors, and be sure to re-evaluate those factors on a periodic basis.

Click on the product's name for additional important information. Read the "Order of Results" in [Terms of Use](#) for information on the order of results and changing the order.

The Fidelity Stock, Preferred Security, ETF/ETP and Closed End Fund Screeners (Screener(s)) are research tools provided to help self-directed investors evaluate these types of securities. The criteria and inputs entered are at the sole discretion of the user, and all screens or strategies with pre-selected criteria (including expert ones) are solely for the convenience of the user. Certain data elements, and certain thematic screens are provided by independent companies not affiliated with Fidelity and the views and values reflected therein may not be reflective of

Fidelity's views. Information supplied or obtained from these Screeners is for informational purposes only and should not be considered investment advice or guidance, an offer of or a solicitation of an offer to buy or sell securities, or a recommendation or endorsement by Fidelity of any security or investment strategy. Fidelity does not endorse or adopt any particular investment strategy or approach to screening or evaluating stocks, preferred securities, exchange traded products or closed end funds. Fidelity makes no guarantees that information supplied is accurate, complete, or timely, and does not provide any warranties regarding results obtained from their use. Determine which securities are right for you based on your investment objectives, risk tolerance, financial situation and other individual factors and re-evaluate them on a periodic basis.
